

## Weekly Report

Date: 11/5/2012

Project Name: Infant Respiratory Monitor

Group Number: 11

Group Members: Sean Ermer, Tim Lau, Leo Li

<b>Current status of project:</b>
We have finished our progress presentation and report. We have just begun our final analysis.
<b>Work completed in the last week:</b>
After completing the presentation, we have met once to further elaborate on our individual assignments and what we plan to do from now until the end of the semester.
<b>Work planned for next week:</b>
We plan to begin our circuit analysis and look into the design safe report.
<b>Anything needed from client or TA or instructor to continue work:</b>
None.
